

Ontario Sledge Hockey Association

Policy: Role of Board of Directors

The Board of Directors is the governing body that oversees sledge hockey in Ontario. Its role is to administer and regulate the sport and its participants. Board decisions must always address the welfare of the whole organization and be above any personal issues, club issues or individual agendas.

The Board's overall responsibilities include:

- Promoting and expanding the sport in positive directions
- Making decisions for the good of the sport, its clubs and players
- Operating in a fair and democratic manner
- Developing rules, regulations and procedures that advance the sport

The Board ensures that all member clubs and players in OSHA:

- Adhere to the Constitution, the rules and regulations and procedures as approved and adopted by OSHA
- Abide by the decisions made by the Board and its designated committees
- Behave in a professional and courteous manner at all times
- Follow procedures and channels to deal with complaints and concerns
- Support each other in our common objectives
